

Therapist Facilitator (part-time)

Cancer Support Community (CSC) provides comprehensive psychosocial care and integrative therapies for cancer patients, survivors and caregivers. We are one of the largest direct cancer support organizations in North America, serving over 2,000 people annually. Our main center is in the East Bay, and we also provide programs and services in medical centers and community locations throughout the Bay Area.

CSC is seeking a California licensed (LMFT, LCSW, PsyD, LPCC, PhD) therapist to facilitate support groups with cancer patients and their loved ones and participate in clinical team meetings. The Therapist Facilitator would be trained in the CSC philosophy and methodology of group facilitation. The Therapist Facilitator reports directly to the Chief Mission Officer. This is a part-time, hourly, nonexempt position. Some evening and weekend hours will be required.

Qualifications

- California license required. (LMFT, LCSW, PsyD, LPCC, PhD)
- Group experience preferred by not required.
- Experience working with diverse populations to increase equity in healthcare is a plus.
- A passion for the mission of Cancer Support Community.

Minimum Education Required:

Master's degree and license to practice in state of California.

To apply for the Therapist Facilitator position, please submit a resume and cover letter to mstauffer@cancersupport.net. Due to the large number of applicants, please know that we cannot respond personally to each application or accept phone call inquiries.
